I always like to be a little bratty before I get into it. I like to taunt my man a little: put on a strip show, joke that I can get myself off alone. But, my man knows this is all foreplay, and he's more than ready to put me in my place. My tenacious personality, and even more eager libido, means that I'm not afraid to go at it for hours. So, enough foreplay, pull that big cock out and let me see what I can do to it.

I wasn't supposed to be here today. I was supposed to be in New Orleans, but there seems to be another nasty hurricane coming so I cancelled my flight, called up Dane and said, 'Let's fuck.' He had a date, but I told him to break it or he'd never get into my pussy again. Well, that straightened him right up and I had his cock in my mouth a half hour later. That, guys, is the power of the pussy!

NO LONGER A

Virgin

I swore I was going to be a virgin the day I married. I swore there was no way I was going to have sex before my wedding night, and no way I would get married before I turned 19. But I broke those vows last Saturday night. And oh, god!—am I ever glad I did! I can't believe how much better it feels to fuck than to pet my pussy myself.

I think what happened is that when Justin touched me, he touched me in an absolutely perfect place. I mean, his fingers were bunched together and he pressed right on top of my clitty, and I thought I was going to scream out loud, it felt so good. That was the moment. That's when the vows washed away. It just felt too good in my clitty and my pussy. And it was as though my pussy could whisper to me and say if you think this feels good, wait till you feel Justin's hard thing up inside you!

From that moment, I never hesitated. I wanted Justin's thing inside me. I grabbed his crotch and started squeezing and stroking him. It's funny: Justin

moaned, and that little puppy noise affected me like more touching down there. I pretty much tore his clothes off. Not that he minded. My pussy squeezed tight when I first saw his thing. It seemed so dark, and...well, it doesn't matter what I thought, because the only thing that matters is what I felt. And what I felt was that I was going to die if I didn't get him up inside me. My pussy was going crazy, begging me, demanding to feel Justin pushing into me and rubbing all the places that were just going crazy to be rubbed.

Justin got on his knees between my legs and used his hand to guide himself to my opening. I don't know how he knew, but

he got the exact right spot. The dome on the end of his hard-on was all hot and felt velvety where it touched the outside of my pussy. I was so hot, and my pussy wanted it so bad, that I forgot all my worries about whether it would hurt. My pussy was insisting that it was going to feel good!

Justin pressed at the opening. It was like fire blaz-

ing up down there and rushing through my whole body. All the excitement I had felt was suddenly doubled. Tripled. I was hotter and hornier than ever. Justin breathed hard, almost panting. He looked so sweet, with his hair sort of hanging forward and this really intent look on his face while he tried to guide himself into my pussy.

When he pushed, the hot feelings got hotter. My pussy sort of clenched, and loosened, and felt all wet, like all my muscles were turning to water.

Justin made little bumping movements with the middle of his body like we were already making love, and the pressure got more and less and more and less, and just about made me scream again with how good it

push about five times before the whole length of his hard thing would fit inside me, but when it was there, I was dying with happiness. I felt so close to him, but even more than that, I felt like I was going to fly into a million pieces and come and come and come. This was definitely better than petting my pussy in bed alone at night!

Justin made love to me, and every movement pulled my pussy tight and made my clitty tingle. I was so fired up that I felt myself getting ready to come before I even knew what was happening. I guess I actually scratched Justin's poor bare back when I came, because I lost it totally. I was on fire, and Justin's thing inside me made the fire hotter and hotter. Justin came again, too, but I couldn't feel the stuff squirting inside me because I was coming so hard. My first time was so good I can't tell you, but the second time was even better. And now Justin is going to get some rubbers, and I'm going to lose count of how many times I've fucked! I can't wait!

Felicity, Alabama

THY NEIGHBOR'S SISTER

When the bell finally rang, I opened the door to a brunette who was all long, sleek, bare legs. The 19-year-old fuck fantasy smiled uncertainly. "Are you George?" she asked. "The one with the key?"

"That's me," I said, holding it up. Her older sister, who had to work days, had left the key with me. I wasn't clear on why this stunner had to move in on such short notice, but I was about to find out why her parents had given her the boot. Instead of heading next door to her sister's place, the leggy babe eased her way inside and began to wrap her luscious body all around me.

"I hope you'll excuse me," she purred. "I'm a nymphomaniac."

"Um, that's quite all right," I stammered. She locked her crotch against the bulge in my jeans and began to grind. The fabric of her shorts was a thin cotton, and she didn't appear to be wearing any underwear beneath. My denim was scant protection against such determination. When her hands went to my zipper, I let her strip me raw. "What's your name?" I asked.

"Merilee," she said. "God, I love your dick?"

"I like to think so." I dragged her own shorts down, and Merilee giggled prettily as I made her as naked as I was. She had one of those tight, high-arched asses that goes so well with a pair of mile-long legs, and she showed it off by skipping ahead of me down the hall to my own bedroom. (All of the houses in this neighborhood had similar floor plans, so it didn't take a genius to figure out where the waterbed lived.) Pulling me down to

felt, and with how bad my pussy wanted to feel Justin up inside me.

Suddenly Justin gasped, "Oh, shit!" and moved hard against me, and I realized as he went stiff and groaned that he was climaxing. His stuff came squirting straight into the very outer part of my pussy. His thing moved against me, jumping, and the hot stuff squirted, and my pussy still wanted to feel him inside me, but I knew I wasn't going to. I'd never done it before, but I'm not totally ignorant!

Except I was wrong! After Justin squirted all over the opening to my pussy, his thing stayed hard. And I guess maybe his stuff helped lubricate me. Anyhow, after a minute, he was pushing again, and I was humping up to meet him, and there was this weird moment that I can't describe, and then I knew Justin's hard thing was inside me! Oh, god, what a feeling!

I never had anything inside me but my finger, and believe me, a hard Justin is nothing like that! My muscles were all weak, and yet I felt like I could jump over the moon. Justin had to push and pull back and

the sheets, she began to roll around with me across the mattress.

“Get it wet in my mouth,” she suggested.

“If you insist,” I said with a grin.

Her young, flexible face stretched itself beautifully over the length of my dick. A man is seldom lucky enough to encounter beauty, skill, youth, and enthusiasm in one compact package. I blessed my lucky stars as I stirred myself around at the back of her hard-working throat. Just when I thought I was going to explode, her knowing fingers kneaded strategically at the base of my tool and also in the area of my balls. It was just enough

to keep me from ejaculating.

“I’ve got to have it deep inside my pussy,” she said, without a trace of apology. Rolling waves heaved through the waterbed mattress as she climbed up on all fours and presented me with the sleek curves of the best, most undimpled ass I’d ever seen. I hunched down behind and streaked between her low-hanging pink lips, connecting our two bodies in a classic doggy-style screw. Her inner walls were elastic but surprisingly tight. She was so wet, so warm, and so muscular on the inside that I thought I’d died and gone to fuck heaven.

I moaned. “How can you be so tight if you’re a nymphomaniac?”

She shrugged, sending delightful ripples through my body. “I’m just naturally small on the inside, that’s all. It takes a nice, big dick to open me the way that I need to be opened.”

Because I was stroking from behind, it was easy and natural for me to set the pace of the fuck. I didn’t notice for several minutes that she was slowly but inexorably increasing the speed. She was so slick that I barely realized that her suction-cup pussy was literally sucking me faster and farther into her depths! Now, I’ve heard of milk muscles inside a woman’s slit, but I’ve always thought it was just an interesting figure of speech. For the first time, I encountered a girl who actually knew how to control her inner musculature in order to suck and pull and tug forcefully on a man’s toolkit.

“Oh god,” I sighed. “I’m going to explode, baby. There’s no way I can hold back when you’re doing me like that.”

She gasped out something completely incoherent. Hidden muscles bunched even more furiously inside her pussy. She went tense all over, pressing every magic button along the length of my shaft. Then we were both coming explosively, our united bodies jogging fast and furiously. The intensity of the vibrations working through her interior made it seem as if she were turning my dick inside out. My lower body became one big happy nerve ending. We throbbed together, both of us grunting, gasping, even screaming.

“Oh god, oh fuck,” I groaned.

“Yes, yes, yes, fucking yes!” she shrieked.

We couldn’t stop shuddering. She experienced such a wrenching convulsion that she blasted my still-quivering dick right out of her hole. I looked down in time to see thick, clotted lumps of my spunk raining down from her newly opened pussy. The strong stench of my jism filled the air, and long streamers of my juices ran down the insides of her thighs. She was still shaking, and now that I held myself a little away from her, I could watch the post-orgasmic contractions working their way through her ass and upper thighs.

“Wow,” I murmured.

“So intense,” she agreed.

It was probably time for a shower, but first I had to clean her off with my diligent tongue. The taste of her sexual sauce mixed with my spunk was so arousing that I quickly discovered that I’d regained my erection. Merilee giggled as she squeezed my slippery stiffness.

“How about an instant replay?” she asked. “Let’s see if it was really as good as we thought it was.”

It was every bit as good. Hell, it was better.

George, Nova Scotia

JANICE

I never intended to be famous. I just started out to make a little money. You know, like a small, one woman business. Then all sorts of people started wanting more and more of me. I honed my business chops with all my clothes on and when it took time to expand, the clothes came off. I like to come across as the sweet and innocent girl next door, but I'm really just the sexy bitch boss that loves to get down and dirty on your big, hard cock, and I do it with delight.

CASSIDY

My teacher, Mr. McLane, told me I couldn't pass class unless I was able to pass his tests. At first I was a little confused by what he meant but once he laid down the law and showed me his huge cock, I was ready to suck and fuck it! He gave me an 'A' for my tests and cum for my mouth! Yummy!

UNLEASHING YOUR HIDDEN SEXUALITY

Tips on freeing the beast in everybody

Whasn't seen this situation portrayed in a cartoon? Out of one door steps a suave, macho stud arm-in-arm with the world's most unattractive woman. From the other exit comes a short, balding, bespectacled 97-pound weakling whose attentive companion is the breathtaking Miss Universe winner.

Not only in cartoons but in real life too, it sometimes seems that men we think of as "losers" have a way of attracting the hottest babes. And seeing such a guy, people usually jump to one or two conclusions about him: either he's dough or that he's packing a penis so long it drags on the ground.

But those explanations aren't necessarily the right ones. Our scrawny conqueror of prime pussy might be as poverty-stricken as you and I, and may dangle a dick as tiny as your thumbnail. The one thing he's probably got going for him that we lack is a sense of his own sexuality.

Like charisma, sexuality is a quality that defies definition. We all have it. You probably realize that instinctively or you wouldn't be reading this. In many guys, though, it seems to remain dormant, a buried treasure waiting to be found. If we could only locate the key to freeing that caged tiger within us, our sex lives would improve immeasurably. And that's the purpose of this article: to help you open the door to the hidden erotic charisma within yourself.

"In some ways I feel like I wasted about five years of great sex," says Wayne. "I don't mean I wasn't getting laid enough.

BLAIR-NTS-09

They sneaked away from the party together and she was eagerly leading him to her bed.

I just couldn't seem to attract the women I really wanted. And when I did bang a chick, I didn't get as much pleasure as possible out of it because I wasn't putting everything into it. Now that I've opened up, not only do I have more fun, but it also seems to set the wild beast loose in my partners!"

The first step to realizing your hidden sexual potential is to take a cold, hard, critical look at yourself to discover your best, most attractive features. Forget the shortcomings. There's no place for negative thinking in this quest for your personal tiger-hood. Dwelling on what society considers "imperfections"—shortness, baldness, fatness, skinniness, or a host of other so-called "problems"—will only magnify them in our minds. They're downers, and what you want now is good, solid uppers, an accent on the positive.

The point is that you must stop ignoring the good things you've got going for you and start using them to your advantage. The more you play them up and show them off, the more confidence you gain in yourself. And confidence is the key quality you need to set that hidden sexuality loose from the cage when it's been hiding.

Besides self-confidence and playing up your best features, another important aspect to unleashing your hidden sexuality is a willingness to take risks. "Dare to be great!" a self-improvement huckster used to say, and he couldn't have been more right. Most super people, including great lovers, are those who've been willing to occasionally throw caution to the wind, take risks, and let their true feelings show.

The movies always make the process seem so simple; usually depicting the transformation of a woman whose sexuality has been repressed. A mousy, librarian-type is instantly turned into an erotic goddess by simply removing her glasses, letting her long hair down and outfitting her with a plunging neckline. It's a hell of a lot tougher than that in real life, though, especially for a guy who doesn't have access to the out-

ward advantages of makeup, padded bras and miniskirts to manifest his newfound sexuality to the world. But the power's in there—inside you. And you can see some of it by looking in the mirror.

Have you got steel-blue eyes, for example? You may have been wasting their potential.' Try arching one eyebrow and looking at yourself with a sidelong glance. Imagine the kind of hypnotic power those eyes could have over women.

Would a beard play up your strong, masculine mouth? Then, for sex sake, try growing one. Are you blessed with a beefy pair of square, tight buns and a heavy set of balls? Then why haven't you started wearing tighter pants to show them off?

A friend once told me of a time in his life when he suffered through an agonizing case of the hots for his best friend's girl. She was all his wet dreams wrapped up in one, and he'd almost lose his mind with burning lust every time he looked at her. But she gave the image of being a totally faithful mate and never even responded with a wink to his passionate ogling, his flirtatious leers or his suggestive jokes.

One evening at a party at their apartment he'd had one too many and, without even thinking about what he was saying, he leaned over and blurted in her ear, "God, I'd love to fuck you!" A few minutes later, they sneaked away from the party together and she was eagerly leading him to her bed. Had he shown the daring courage to speak out earlier, he could have spared himself those months of agony and been enjoying the pussy of his dreams.

How does being daring help release your hidden sexuality? By knocking down one set of barriers inside ourselves, others start to collapse around them. Try being more outspoken about any subject, letting your emotions and secret thoughts show. It then becomes much easier to let that tiger of sexuality out of its cage. And once that starts to happen and you see how it also releases the untamed animal in your partner, it is a relatively simple task to chop away the last remaining barricades, and let yourself slide completely into the world of maximum pleasure.

One of her bosses had been chasing after her pussy for months – fondling her ass on the elevator...

"The thing that kept my sexual side repressed was jealousy," recalls Michael. "From the time Jennifer and I started living together, I grew increasingly jealous and suspicious of other guys in her life.

"I never said anything about it because I was afraid it would make her angry. So instead, I bottled it up and let it affect our sex life. I was always holding back just enough to keep control of the situation. Any moment I expected to catch Jennifer off her guard, inadvertently calling out the name of a guy at work while she was coming or slipping up with a remark that revealed she was still seeing one of her old boyfriends.

"Jennifer could sense that I wasn't giving her everything when we fucked, so she acted guarded with me too. It was like I was saying to her, 'I'll be damned if I'll show you how turned on you get me because that would make me vulnerable.' Meanwhile, she was saying, 'If you are not going to let yourself go all the way, then I'm not going to respond all the way either.'

"While this was going down, our sex was okay, but it was far less than it should have been. Jennifer would bite on her lip and swallow her screams when she came. I always took tops when we fucked, and when I had an orgasm, it was like I was giving her a 'gift.'

"The one thing I didn't dare to try for a long time was asking Jennifer straight up about the suspicions I harbored. Instead, I just kept letting my jealousy grow until I could hardly stand it. What finally brought the whole thing out was my finding a note in Jennifer's open briefcase, an obscene note in some guy's handwriting intimately praising her body and begging her to spend the afternoon at a motel with him.

"Boiling anger replaced the courage I'd been lacking, and I confronted her. It turned out to be the best thing I ever did. Yes, she admitted, when she saw how insanely jealous I was. One of her bosses had been chasing after her pussy for months—fondling her ass on the elevator, squeezing her tits at the

office Christmas party, inviting her as his private secretary to distant conventions and now, writing her lewd notes. After resisting all his other passes, she'd brought the note home to show me and get my advice about what to do next.

"The intricate web of jealousy I'd created in my own mind started to fall apart. I asked Jennifer questions about him and about other guys, things that had been troubling me for months. She answered them all straightforwardly and made it obvious she wasn't hiding anything.

"For a while I felt like a jealous fool, but Jennifer's cheerful, understanding smile snapped me out of that. The only thing she gave me a hard time about was not having had the guts to ask her long before it became such a problem between us.

"In fact, when we got to having sex that night, Jennifer's revelations added more thrills to it. 'What do you think your boss would do if he had you alone like this?' I asked playfully. 'I know exactly what he'd do!' she said. Pulling her skirt up, she thrust out the gleaming seat of her pantyhose and started feverishly feeling it, slapping her cheeks and sticking her finger up her ass. Then he'd do this!' she cried, tearing her blouse open and pulling at the tops of her nipples until they were rigidly erect.

"As Jennifer acted out the horny moves her lascivious boss would make, I kept getting more and more excited. It was like an aphrodisiac, knowing I could fulfill another guy's hard-on fantasies. And it helped drive all the old repressions and erotic roadblocks out of my head. I was suddenly an unchained tiger.

"Rushing across the room with an animal yell, I tossed Jennifer over my shoulder and ran with her to the bed. As she kicked and screamed with delight, I stripped her nude and let her take tops for the first time in months. I'd never fucked her so hard or so long as I did that night. She seemed to have dozens of orgasms and I shot my jizz four different times.

Hidden sexuality? Man, my tiger came out of his cage to stay that night!"

ROBIN

Guys have always told me that I have a cute ass, so I'd wiggle it in front of them at frat parties. Little by little that became my trademark move and some of the guys told me they wanted to explore it. But before I let them, I have to be comfortable enough with it so I had to do it first. I want you to watch my cute tight ass get played with. I want to gape it wide for you!
